

YOUR HOMETOWN PHARMACY

CITY DRUG, YOUR HOMETOWN PHARMACY SINCE 1889

Service Highlight The 2023 Flu Shot

City Drug has this year's flu shot. The personal benefits of receiving the 2023 flu shot are significant. It offers robust protection against the influenza virus, reducing the likelihood of falling ill with a potentially debilitating illness. By getting vaccinated, individuals can minimize the risk of severe symptoms, hospitalization, and complications, leading to a quicker recovery and fewer disruptions to daily life.

Moreover, the flu shot provides peace of mind, knowing that you've taken proactive steps to safeguard your health and that of your loved ones. It's particularly crucial for vulnerable populations like the elderly, young children, and those with underlying health conditions, as it shields them from the serious consequences of flu infection.

Receiving the flu shot can also have financial benefits, as it reduces the expenses associated with doctor's visits, medication, and missed workdays due to illness. The 2023 flu shot helps individuals to maintain their health and quality of life, allowing them to enjoy the season without the worry of falling victim to the flu.

Cost: If your insurance does not cover it, then it is only \$30.00 out of pocket.

Come into City Drug in Evanson or Bridger Valley to get your 2023 Flu Shot.

Employee Highlight

Mark Hiatt, Marketing

Mark is a seasoned marketing professional, who believes in City Drug's mission to deliver outstanding products and services to our valued clientele. With experience spanning various industries, his passion has evolved with his education in pharmacy compounding as well as BHRT from WorldLink Medical. Mark has consistently excelled in each role he's undertaken. His innate likeability enables him to forge lasting connections with clients and colleagues alike. Outside of the professional sphere, Mark has called Evanston, WY, home for the last 22 years—a community he loves for its perfect size and welcoming atmosphere. Family is central to his life, as he and his wife, Kirra, raise six children together.

Supplement Highlight

Relax:

With school back in session, do you have a lot going on? Discover the blissful tranquility you've been craving with our premium relaxation aid, aptly named "Relax." Crafted with a meticulous blend of scientifically proven ingredients, Relax is your passport to a serene and restful state of mind, allowing you to conquer the challenges of the day and embrace peaceful, rejuvenating sleep at night. It's synergistic blend of Magnesium Bis-Glycinate, GABA, and L-Theanine gently guides you into a state of unwavering relaxation. And unlike conventional sedatives, Relax offers the ultimate relaxation without the heavy cloak of drowsiness. Experience tranquility without sacrificing alertness during the day.
